Products/Services

Provedora Mexicana de Monofilamentos (PMM) is a worldwide recognized company, specializing in the production of Quality Engineered Synthetic Monofilamentos for toothbrushes, interdental brushes, cosmetic brushes and brushes for industrial applications. The experience acquired during 45 years of operation, enables us to fulfill our customer's requirements by offering: personalized service, small lot sizes and one of the shortest lead times in the industry. The quality of our products and processes, supported by our ISO9001 and ISO14001 certifications, along with the knowledge, experience and enthusiasm of our team has led PMM to occupy an important place in the brush industry.
